

Instructions for Give-One-Get-One

1. Read the article *Taking Aim: Tips for Evaluating Students in a Digital Age*. Using the Give-One-Get-One Worksheet, record two suggestions or facts from the article.
2. Find a partner.
3. Give one suggestion or fact from your list to your partner.
Get one suggestion or fact for your list from your partner.
4. Move to a new partner and repeat the process.
5. If your list and your partner's lists are identical, you must brainstorm together a suggestion that can be added to both of your lists.

Note: Exchange no more than one suggestion with any given partner.
